

EDUARDO ZAQUEU

FRONT-END DEVELOPER

PROFILE

I have the ability to create attractive and responsive user interfaces, applying the best practices of usability and accessibility. I always seek to stay up-to-date with the latest industry trends and strive to apply them to my projects.

Additionally, I am a proactive, communicative, and collaborative person who always seeks to work in a team and contribute to the project's success. I am always willing to learn and challenge myself in new areas of knowledge.
