EDUARDO ZAQUEU

FRONT-END DEVELOPER

PROFILE

Passionate about sharing knowledge. I've host several workshops about technology, also acting as a teacher at computer maintenance and computing courses.

I'm a Front-end Developer and I dedicate a part of my spare time to the study of Back-end technologies.

I appreciate teamwork and cooperation, and I use my proactivity and learning skills as tools to solve problems.

SKILLS

- HTML | CSS | Javascript
